Five o'clock in the morning  
I'm not yet a-sleeping  
Soon the day will be dawning  
Since I broke up with you  
My whole world is through  
I'm so blue

I should have not been a-flirting  
Now I'm the one who is hurting  
And there's just no telling  
What I'm gonna do  
'Cause life without you is so blue

My world is blue  
My world is blue, ooh

Help me mama, help me papa  
Can't you see I made a mistake?  
I'm only living for a loving  
And this heartache, I just can't take  
I'm so blue

Five o'clock in the morning  
I'm not yet a-sleeping  
Soon the day will be dawning  
Now since I broke up with you  
My whole world is through  
I'm so blue

You never miss your water  
Until your well runs dry  
You never see your tears  
And then you start to cry  
You break down inside you could die

My world is blue  
My world is blue, ooh

Help me mama, help me papa  
Can't you see I made a mistake?  
I'm only living for a loving  
And this heartache, I just can't take

I'm so blue

My world is blue, so blue

I need you, ooh, ooh

Come into my world, girl

Said, I need you

I gotta have you
