If the rebel in me  
Can touch the rebel in you  
And the rebel in you  
Can touch the rebel in me  
And the rebels we be  
Is gonna set us free  
Then it would bring out the rebel  
Bring out the rebel  
Bring out the rebel in me  
If the lover in you  
Can touch the lover in me  
And the lover in me  
Can touch the lover in you  
And the lovers we be  
Will bring sweet harmony  
Then it would bring out the love  
Bring out the love  
Bring out all the love in me  
My love  
Is deeper than the ocean  
Our love  
Is in need of sweet devotion  
Come on  
Because you got the potion  
To bring out the love in me  
And I would bring out the love in you  
Let the lover in you  
Touch the lover in me  
And the rebel in me  
Will touch the rebel in you  
And the lovers we be  
Will bring sweet harmony  
Then it would bring out the love  
Bring out the love  
Bring out all the love in us  
My love  
Is deeper than the ocean  
Our love  
Is in need of sweet devotion  
Come on  
Because you got the notion  
To bring out the love in me

And I would bring out the love in you  
Let the rebel in me  
Touch the rebel in you  
And the rebel in you  
Will touch the rebel in me  
And the lovers we be  
Will bring sweet harmony  
Then it would bring out the love  
Bring out the love  
Bring out all the love in us  
Bring out the love  
Said I wanna bring out the love  
Bring out the love  
Said I wanna bring out the love  
Bring out the love  
Bring out the love  
Bring out all the love in me  
Bring out the rebel  
Said I wanna bring out the rebel  
Bring out the rebel  
Said I wanna bring out the rebel
