Reggae night
we come together when the feelin's right

Reggae night
and we'll be jammin 'till the morning light.
Penny Reel just called
got to get my things
got to catch this ride.
Gotta look my best because I know there'll be mashin'
up tonight.
Reggae night
we come together when the feelin's right

...
You will find it happens only once a year

So don't miss out on this fashion here.

There'll be people comin' from the North and South
And East and West
so you better look your best
man.

Now
lightnin' strikes at 8
so you better not be late
For this rub-a-dubbin'
rockin'
jammin'
fun
fun
love in
yeah.

Reggae night
we come together when the feelin's right

...
You will find it happens only once a year

So take advantage of this festive cheer.
Make we bring we family and let's tell some friends

And everyone will have a jam
jam
session.
