"I'm getting tired of just hangin around  
Am gonna find me a good girl and settle down  
Cause this sporting life is gonna be the death of me

My baby left me, all of my own  
Ain't got no woman and ain't got no home  
And this sporting life, this night life, oh boy, its killing  
me  
Yes it is, yes it is, i can't take it anymore

There's only one thing here left to say  
I've gave all up, all my life away  
And this sporting life, this night life, oh boy, its killing  
me  
Finish them boy, don't you know don't you know

I'm getting tired of just hangin' around  
Am gonna find me a good girl and settle down  
And this sporting life, this sporting life is gonna be the  
death of me

Yes it is, yes it is  
Yes it is, yes it is, yes it is, yes it is  
Yes it is, yes it is  
I can't take it anymore  
please, oh come on, oh come on"
