I'm gonna use what I got
To get what I need
I'm gonna use what I got - use all I got
To get what I need, yeah

Look, I was born in a little old shack
Didn't have enough to eat
Not enough clothes on my back
Lord knows I kept the faith
A heart full of woe
Now they're trying to get me
At the end of my road

Use what I got
To get what I need
I'm gonna use what I got - use all I got
To get what I need, yeah

The rich is content
While the poor do without
If you ask for some herb
They don't know what you're talkin' about
All say they answer
As if they're on the wind (??)
It changes sometimes
That why I'm afraid I've gotta...

Use what I got
To get what I need
I'm gonna use what I got - use all I got
To get what I need, yeah

The road of life is mighty steep
When you're broke, busted and disgusted
For you ain't got nowhere to sleep
I'm gonna find me a woman to stand by my side
'Cause I'm so tired of runnin'
Can't find no place to hide

I'm gonna use what I got
To get what I need

I'm gonna use what I got - use all I got
To get what I need, yeah

Use what I got - you know that I got to!
Use what I got - said I've got to!
Use what I got - you gotta use it!
Use what I got - use it all up now!
Use what I got - yes I have!
Use what I got - I've got to, got to
Use what I got - said I got to
Use what I got, use what I got...
