Waterfall
(Jimmy Cliff)

Another sun to shine
Another place of mine
If I could have my way
I'd stay forever

Look at the waterfall !
See how the shadow scroll
If you believe me,
We'll stay together
And we'll sit right here on the grass,
And look at the sun,
At the sun, at the sky, at the sky...
Oh, oh, oh, oh...

I need you everyday
And we'll stay this way
The same ol' place we found
It's ours forever

And we all can again
We both do understand
I'll be your "only one"
I'll leave you never !

When I see you, you smile
I see the waterfall
With my head in the sky,
I wanna remember
I wanna remember
The blue !

(Instrumental Interlude)

Another sun to shine
Another place of mine
If I could have my way
I'd stay forever

Look at the waterfall !

See how the shadow scroll
If you believe me,
We'll stay together
And we'll sit right here on the grass,
And look at the sun,
At the sun, at the sky, at the sky...
Oh, oh, oh, oh...

La, la, la, la, la, la
La, la, la, la, la, la...
