You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last
Persecution, you must bear
Win or lose, you got to get your share
Got your mind set on a dream
You can get it though hard it may seem now
You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last
I know it, listen
Rome was not built in a day
Opposition will come your way
But the harder the battle you see
It's the sweeter the victory now
You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last
You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try, try and try
You'll succeed at last
I know it
Don't assure it
So don't give up now
But keep on trying
