Be honest with me dear whatever you do remember  
you're mine dear so always be true  
Wherever you wander on land or on sea if you really  
love me be honest with me  
My poor heart would break dear if you were untrue  
Asleep or awake dear I'll dream about you  
Oh you are my darling you're all that I see if you really  
love me be honest with me  
Someday I'll return dear and make you my own  
And how I will yearn dear when I'm all alone  
I'll never forget you your sweet memory if you really  
love me be honest with me  
If you really love me be honest with me
