[9th Prince]

Aiyo Camouflage Children forever revealin' like  
Princess tore up from the flow up  
Pealin' from the ceilin', verbal abuse, I can't lose  
Seude velvet, a man who kills shoes  
I'm a fuckin' blow my high while Lady Sings the Blues  
Or how my army had nine in the clip but shot ten dudes  
Misdemeanin' nigga, dyin' from the sound  
He was clappin' by the tre' pound, penals get locked  
down  
Muslims remain lost and found  
Lyrics steal railroads, especially made from the  
underground  
Plant seeds, whether it be babies or weed  
Or straight violent like mixin' leak with speed  
Fuck it! Call me the Prince Keanu Reeves  
Verbal bazookas up my sleeves, make a whole nation  
just bleed  
The skate off with eighty ki's

[9th Prince]

I throw the seven-inch chamb' and smash you in ya  
brain  
Terrorist and 9th Prince is crack/cocaine inside ya veins  
Killa Kane I feel ya pain, ninety-nine names  
Between the physical frame, set off alarms I drop  
bombs  
Cut off arms cuz I'm insane  
Golden gloves, I shadowbox with my ox  
Ran in spots, shot up cops for their jewelery, rocks  
Run for ya shoe box, grab the glock  
Makaveli got love for Wu, I love 2Pac

[9th Prince]

Animosity posse, shootouts in the lobby for a hobby  
Who framed Bobby? It might've been those jealous  
niggaz from Marcy  
Lyrical Marcus Garvey, I rocks bust from Arizona to  
Yugoslavi'  
Yo early in the mornin' in the courthouse rockin'  
symbols  
Staten Island criminals, you small like a decibel  
You specializin' in shootin' up funerals  
Instrumental force by the environment  
Shyheim jumped out the cabinet with forty gadgets  
Islord had the sword, swung it on the parole board  
Ra' killed his wife for her eskimo ice  
Think twice, shit ain't pretty, my army's wild  
Like niggaz from Brick City, we gritty

We leave no pity on ya committee
