First time I soared my heart felt a little bit funny  
I knew right away I just had to have honey  
Lips like cherry wine feel good touch in mine she  
makes everyday sunny  
I'm such a fool about don't want to live without honey  
When I'm a rounder my heart keeps to beaten like  
thunder  
And then when we kiss I keep a thinkin' no wonder  
Heaven couldn't be sweeter than when she starts me  
feeling so funny  
I'm such a fool about don't want to live without honey  
[ trumpet ]  
I'd buy diamonds if I had the barrel of money  
I want her to know nothing's too good for my honey  
Lips like cherry wine feel good touch in mine makes my  
every day sunny  
I'm such a fool about don't want to live without honey  
I'm such a fool about don't want to live without honey  
I'm such a fool about don't want to live without honey
