Standing on the road walking down the highway  
Ain't going nowhere but that's my way of life

Well I ain't never had much ambition but I always made  
my own way  
By turnin' a couple of jobs in some ladies' backyard I  
averaged about a dollar a day  
I wake up early each morning and before I started on  
my way  
I get some cigarettes and a couple of cups of coffee a  
sweepin' the local city cafe  
Standing on the road...

Ain't never had no one to love me never had girl to call  
my own  
I never would take a chance to fool with romance I  
guess I'm used to being alone  
Nobody wants a drifter so I'll keep moving on  
There's nothin' to tie me down when I wanna leave town  
Nobody's gonna miss me when I'm gone  
Standing on the road...
