"Nobody"

When life seems full of clouds and rain and I am filled
with not but pain
Who soothes my thumpin' bumpin' brain nobody
When winter come with snow and sleet me with hunger
and cold feet
Who says here's too bit more to eat nobody
I ain't never done nothin' to nobody and I ain't never
got nothin' from nobody no time
And until I get some from somebody sometime
I don't intend to do nothin' for nobody no time

Well I'm tyrin' hard and schemin' a plan to do the very
best I can
Who says look at that handsome man nobody
Well all day long things go a mess and I go home to
find some bliss
Who's waitin' there with a lovin' kiss nobody
I ain't never done nothin'...
Nobody no time
