Put it off until tomorrow oh oh you've hurt me enough
today
You say our love is over that you have found another
And you say you're going away
Leave me tomorrow oh oh you've hurt me enough
today
I've hurt me enough today you can't believe a word that
I say
But you must accept the fact I won't be coming back
Oh but stay stay just one more day loneliness isn't far
away
Put it off until tomorrow oh oh you've hurt me enough
today
Put it off until tomorrow oh oh you've hurt me enough
today
