If you're all alone and blue no one to tell your troubles  
to  
Remember me cause I'm the one who loves you  
If the whole world turned you down and not a true  
friend can be found  
Remember me cause I'm the one who loves you  
Through all kinds of weather you know I'll never change  
Through the sunshine and the shadows I'll always be  
the same  
Oh we're together right or wrong and where you go I'll  
tag along  
Remember me cause I'm the one who loves you  
Yes through all kinds of weather...  
Remember me cause I'm the one who loves you
