verse 1

I wanna Tell yall about my old lady....sometimes...

Shes really crazy

She blacks out at the drop of a dime

But she still my baby

She likes to get into confrontations with me

Testing my patiece to see

How far can she before I lose my head

hook:

Sometimes I love her

Sometimes I love her not

I aint lettin her go

Cause she' all I got

verse2

All though she nags me and complain alot

I aint lettin her go no,no,no

The next minute she can be sweet as ever

Grinning from ear to ear

Thats why we together

What con make her change so fast

It's very confusing

Many times I felt like up and leaving,Oh girl

But im way too deep in ...love with her

As crazy as she is I want her to have my kids

hook

With her i have grown

With her home is home

I will never turn my back on my baby,I cant do that

hook (5*) till fade
