Just because I asked a friend about her just because I  
spoke her name somewhere  
Just because I rang her number by mistake today she  
thinks I still care  
Just because I haunt the same old places  
Where the mem'ry of her lingers everywhere  
Just because I'm not the happy guy I used to be she  
thinks I still care  
But if she's happy thinking I still need her then let that  
silly notion bring her cheer  
But how could she ever be so foolish oh where could  
she get such an idea  
Just because I asked a friend about her just because I  
spoke her name somewhere  
Just because I saw her then went all to pieces she thinks  
I still care  
Ah she thinks I still care
