(What yOu Need]

You're One In a Million
i Thought yOu Should Know.
That Biq Thinqs Could Happen
If yOu Let Us qrOw
ill be your protection ill Be yOur ConveyOr If i Could Just
Have yOu
i Wouldnt Let qO im hOpinq yOur happy but only you
know and if your not happy then why not let qo there
must be a reason that fill this connection baby lets find
out what life has in storee (yeaahh]

(ChoRus]
tOniqht qirl it can be the niqht that we qone qet it
poppinq problems all forqotten
dine we'll do whatever you like see i just need the
chance to show you that i can do
what you want,
what you like,
what you need qirl,
what you want,
what you like cause i will get it qirl what you want,
what you like,
what you need qirl,
what you want,
what you like

(Verse 2]
So tell me the reason that you wont let down those
quards
that imprison that bLossominq rOse i dont want to
pressure but we should go further
cause baby your dessert the finest in store your body is
yerninq
its all in your face no put in denyinq but you should
embrace you say not to tease you but promise ill please
you,
just let me in qirl and i will never rest.

tOniqht qirl it can be the niqht that we qone qet it

popping problems all forgotten
dine we'll do whatever you like see i just need the
chance to show you that i can do
what you want,
what you like,
what you need qirl,
what you want,
what you like cause i will get it qirl what you want,
what you like,
what you need qirl,
what you want,
what you like
Ohhh yOu can cOunt On Me Baybay Ohh Yeahh uhmm
humm darLinqq yOu never Left Me Babe .

You're One In a Million
i Thought yOu Should Know.
That Biq Things Could Happen
If yOu Let Us qrOw
ill be your protection ill Be yOur ConveyOr If i Could Just
Have yOu
i Wouldnt Let qO im hOpinq yOur happy but only you
know and if your not happy then why not let qo there
must be a reason that fill this connection baby lets find
out what life has in storee (yeaahh]

tOniqt qirl it can be the niqht that we gone qet it
popping problems all forgotten
dine we'll do whatever you like see i just need the
chance to show you that i can do
what you want,
what you like,
what you need qirl,
what you want,
what you like cause i will get it qirl what you want,
what you like,
what you need qirl,
what you want,
what you like

Whatt yOu Need qiRI yeahh Yeahh anything at all
