Check it out mija  
You know how vatos trip around this barrio right?  
So just incase tomorrow  
Their aint one  
You know where I stand aight?  
Yeah

When I die chola dont cry  
Just know your cholo went out banging  
I went out banging (Ba Boom)  
And when my Tiempo comes around  
Homegirl You know I'll go out banging  
I'll go out banging

(You know that)  
Grew up without shit  
Left the world alot of shit  
Walked the hardest barrios  
Kept my hand one the pistol grip  
Shot levas down  
Who even tried to clown  
Learned from mero meros ese  
I represent my town  
Homeboys don't fuck around  
These cats was real  
Taught this chavalon how to take them steps to make  
some mills  
And I learn'd quick homes  
Cause vidas bad at home  
Trippin on my jefe shootin up in the corner all alone  
I see mi madre  
Crying mija all the time  
I miss my carnal up in forsome doing time  
I walked this barrio  
With my head up high  
Keep an eye  
On every rafla passing by  
Keep trucha with the hura  
When they come my way  
Cause one more strike for me mija (ya)  
They throw that key away

Just want to let you know  
If theres no second chance  
Your my vida mija  
The best part of my past

When I die chola don't cry  
Just know your cholo went out banging  
I went out banging (ba boom)  
And when my tiempo comes around  
Homegirl you know I'll go out banging  
I'll go out banging (ba ba bang)

I hope i'll see you again  
In your crazy vida  
Y toda via mija  
Que Dios te vendiga  
Es mas mejor  
Homegirl now that your on your own  
Yeah, I like your new tatoo  
R.I.P. Capone  
Thats why I rolled with ya  
Cause you was down as fuck  
Everytime time there was plaito  
You backed a vato up  
If i was scrappin  
You were cappin on chavalas  
Didn't think twice  
To bust them copper valas  
You drove the get away  
Barried the throwaway  
If we got caught  
I woulda took the wrap anyway  
Down with me everyday  
Pistiando and smoking out  
Firme tiempos  
Is what our thing was all about  
Ridding bajito  
Through the city lights  
My spokes shine like your ojos mija in the night  
I miss you mucho  
Just want to let you know  
When its your time to go  
Simon im down for another roll

When I die chola don't cry  
Just know your cholo went out banging  
I went out banging (ba boom)  
And when my tiempo comes around  
Homegirl you know I'll go out banging  
I'll go out banging

Saves que chola?  
You gotta take care of yourself in this crazy mundo,  
Porque estos vatos, que caminan aqui  
Look forward to take you out.  
So just remember what Capone told you Homegirl  
"Keep you cuete cocked"  
"Don't loose your shot"  
"And if a vato tripps on you mija, make sure that levas  
dropped"
