Be honest with me dear
Whatever you do, remember you're mine dear
So always be true

Wherever you wander, on land or on sea
If you really love me be honest with me
My poor heart would break dear if you were untrue
Asleep or awake dear I'll dream about you

Oh you are my darling, you're all that I see
If you really love me, be honest with me
Someday I'll return dear and make you my own
And how I will yearn dear when I'm all alone?

I'll never forget you, your sweet memory
If you really love me be honest with me
If you really love me be honest with me
