(Jay Livingston - Ray Evans - Henry Mancini)

Dear heart, wish you were here  
To warm this night  
My dear heart, it seems like a year  
Since you went out of my sight  
A single room a table for one  
It's a lonesome town alright.

But soon I'll kiss you hello  
At our front door  
And dear heart I want you to know  
I'll leave your arms never more.

A single room a table for one  
It's a lonesome town alright.

But soon I'll kiss you you hello  
At our front door  
And dear heart I want you to know  
I'll leave your arms never more...
