As I look at the letters that you wrote to me it's you that  
I am thinking of  
As I read the lines that to me were so sweet I remember  
our faded love  
I miss you darling more and more every day  
As heaven would miss the stars above  
With every heartbeat I still think of you and remember  
our faded love

As I think of the past and all the pleasures we had as I  
watch the mating of the dove  
It was in the springtime when you said goodbye I  
remember our faded love  
I miss you darling...

I remember our faded love
