I've laid around and played around this old town too  
long  
Summer's almost gone yes winter's coming on  
I've laid around and played around this old town too  
long  
And I feel like I gotta travel on

Well, papa writes to Johnny but Johnny can't come home  
Johnny can't come home, no, Johnny can't come home  
Papa writes to Johnny but Johnny can't come home  
'Cause he's been on the chain gang too long

High sheriff and police riding after me  
Riding after me, yes, coming after me  
High sheriff and police they're coming after me  
And I feel like I've gotta travel on

I've laid around and played around this old town too  
long  
Summer's almost gone yes winter's coming on  
I've laid around and played around this old town too  
long  
And I feel like I gotta travel on

Well, I wanna see my honey and I wanna see her bad  
Wanna see her bad, oh, wanna see her bad  
I wanna see my honey wanna see her bad  
She's the best gal this poor boy ever had

I've laid around and played around this old town too  
long  
Summer's almost gone yes winter's coming on  
I've laid around and played around this old town too  
long  
And I feel like I gotta travel on  
Travel on, travel on travel, on
