(Hugh Martin - Ralph Blaine)

Have yourself a merry little Christmas let your heart be  
light  
From now on our troubles will be out of sight  
Have yourself a merry little Christmas make the  
Yuletide gay  
From now on our troubles will be far away.

Here we are as in olden days, happy golden days of  
yore  
Faithful friends who are dear to us gather near to us  
once more  
Through the years we all will be together if the fates  
allow  
Hang a shining star upon the highest bough  
And have yourself a merry little Christmas now.

(Here we are as in olden days, happy golden days of  
yore  
Faithful friends who are dear to us gather near to us  
once more  
Through the years we all will be together if the fates  
allow  
Hang a shining star upon the highest bough  
And have yourself a merry little Christmas now...)
