(Stuart Hamblen)

Oh it's springtime in the mountains and I'm full of
mountain dew
Can't even read my catalog like I used to do
I'm a sittin' in that little shed that's right back off the
house
Here comes ol' Jake with all the hounds but he's gonna
hear me shout.

I won't go huntin' with you Jake but I'll go chasin'
wimmin'
So put them hounds back in the pen and quit your silly
grinnin'
Well, the moon is bright and I'm half tight my life is just
beginnin'
I won't go huntin' with you jake but I'll go chasin'
wimmin'.

Let's go down to the meetin' house and wait till they
start home
Them gals that live on Possum Creek will always leave
alone
We'll run 'em down the corn row them sassy little
misses
We'll scare them pretty gals to death we'll stop and
blow 'em kisses.

Well, I won't go huntin' with you Jake but I'll go chasin'
wimmin'
So put them hounds back in the pen and quit your silly
grinnin'
Well, the moon is bright and I'm half tight my life is just
beginnin'
I won't go huntin' with you jake but I'll go chasin'
wimmin'.

--- Instrumental ---

Now wash your face and comb your hair cause it's darn
near time to start

But let me tell you fore you go there's no one that's got
my heart
Don't chase that gal with the yellow hair and wearin'
dress of green
Well, that little gal belongs to me I know she's past
sixteen.

Oh, I won't go huntin' with you Jake but I'll go chasin'
wimmin'
So put them hounds back in the pen and quit your silly
grinnin'
Well, the moon is bright and I'm half tight my life is just
beginnin'
I won't go huntin' with you jake but I'll go chasin'
wimmin'.

Now I was headin' for the general store when a silly
thing I've seen
They make 'em in the city it's called a magazine
I turned to page 32 and look at what I found
Them gals wear clothes that we ain't seen beneath
them gigham gowns.

Oh, I won't go huntin' with you Jake but I'll go chasin'
wimmin'
So put them hounds back in the pen and quit your silly
grinnin'
Well, the moon is bright and I'm half tight my life is just
beginnin'
I won't go huntin' with you jake but I'll go chasin'
wimmin'...
