If the whole world stopped lovin' the way you stopped
lovin' me
Have you ever stopped to wonder what kind of place
this would be
If the whole world stopped lovin' the way you stopped
lovin' me
If every heart was broken the way that you broke my
own
And the whole world stopped lovin' how long would
livin' go on
Hear the church bells in the steeple as they ring their
song through the air
If the whole world stopped lovin' there'd be no steeple
bell there
The tears would fill the river till the river's flooded the
sea
If the whole world stopped lovin' the way you stopped
lovin' me

If the whole world stopped lovin' the way you stopped
lovin' me
