We got married in a fever hotter than a pepper sprout
We've been talking bout Jackson ever since the fire
went out
I'm goin' to Jackson (you just think you're one) I'm
gonna mess around
Headed to Jackson look out Jackson town
Well you go on down to Jackson go ahead and wreck
your health
Play your hand like a lovin' man make a big fool of
yourself
Honey you just go on to Jackson well you go comb your
hair
I'm gonna snowball Jackson oh see if I care
Hmm I breeze into that city all them people gonna
stoop and bow
And them Jackson women gonna make me teach 'em
what they don't know now
I'm goin' to Jackson get your brother hands off of my
coat
I'm headed to Jackson goodbye that's all she wrote
When they laugh at you in Jackson I'll be dancin' on the
pony keg
When I'll lead you round town like a scalded hound

With your tail tucked between your legs
Go on to Jackson you big tall Texas man
I'll be waitin' right there in Jackson behind my Japan fan
We got married in a fever hotter than a pepper sprout
We've been talking bout Jackson ever since the fire
went out
We're goin' to Jackson and that's a fact
Yeah goin' to Jackson ain't never comin' back
