(Jack Clement)

There's a picture that I carry  
One we made some time ago  
When they ask who's in the picture with me  
I say just someone I used to know.

Just someone I used to spend some time with  
Just a flame that's lost its glow  
But I don't tell them of the nights I cry without you  
I say just someone I used to know.

Just someone I used to run around with  
Just a friend of long ago  
I don't tell them just how lost I am without you  
I say just someone I used to know.

I say just someone I used to know...
