(Phillip P. Bliss - Gene Clark)

Brightly beams our father's mercy  
From a lighthouse evermore  
But to us he gives the keeping  
Of the lights along the shore.

Let the lower lights be burning  
Send a gleam across the wave  
Some poor fainting struggling seaman  
You may rescue, you may save.

Dark the night of sin has settled  
Loud the angry billows roar  
Eager eyes are watching longing  
For the lights along the shore.

Let the lower lights be burning  
Send a gleam across the wave  
Some poor fainting struggling seaman  
You may rescue, you may save.

Trim your feeble left my brother  
Some poor sailor tempest cost  
Trying hard to reach the harbor  
In the darkness may be lost.

Let the lower lights be burning  
Send a gleam across the wave  
Some poor fainting struggling seaman  
You may rescue, you may save...
