His name was Sandy Sleighfoot
And, oh, so sad was he
For though he stood just four feet tall
His feet were three foot three

He tried to help make Santa's toys
But with his feet so long
He'd trip and fall and break them all
Just everything went wrong

Now, Little Sandy Sleighfoot
Don't you feel so blue
Even with your feet so long
God has a place for you

The other kids made fun of him
They laughed at him with glee
But Sandy Sleighfoot learned one day
Without skis, he could ski

So when the night fore Christmas Eve
The reindeer stable burned
He skied downhill and saved the deer
Remembering what he'd learned

Now everybody loves him
And Santa loves him too
And ever since on Christmas Eve
He's helped bring gifts to you

Now Little Sandy Sleighfoot
Don't you feel so blue
Even with your feet so long
God has a place for you

The other kids made fun of him
They laughed at him with glee
But Sandy Sleighfoot learned one day
Without skis, he could ski

So when the night fore Christmas Eve
The reindeer stable burned

He skied downhill and saved the deer
Remembering what he'd learned

Now everybody loves him
And Santa loves him too
And ever since on Christmas Eve
He's helped bring gifts to you
