Make the world go away and get it off my shoulder
Say the things you used to say and make the world go
away

Do you remember when you loved me before the world
took me astray
If you do then forgive me and make the world go away
Make the world go away...

I'm sorry if I hurt you I'll make it up day by day
Just say you love me like you used to and make the
world go away

Make the world go away...
Say the things you used to say and make the world go
away
