Six foot six stood on the ground weighed two hundred  
and thirty five pounds  
But I saw that giant of a man brought down to his knees  
by love  
He was a kind of man that would gamble on luck  
Look you in the eye and never back up  
But I saw him cryin' like a little whipped pup because of  
love  
Can't see it with your eyes hold it in your hand but like  
the wind that covers our land  
Strong enough to rule the heart of any man this thing  
called love  
It can lift you up it can let you down take your world turn  
it all around  
Ever since time nothing's ever been found stronger  
than love  
[ guitar ]  
Most men are like me they struggle in doubt  
Trouble their minds day in and day out

Too busy of livin' to worry about a thing called love  
But when I see a mother's tenderness as she holds her  
young close to her brest  
Than I thank God that this world's been blessed with a  
thing called love  
Can't see it with your eyes...
