Precious mem'ries how they linger
Sent from somewhere to my soul
How they linger ever near me
And the sacred past unfolds.

Precious mem'ries how they linger
How they ever flood my soul
In the stillness of the midnight
Precious sacred seems unfold.

In the stillness of the midnight
Echoes from the past I hear
All time singing gladness ringing
From the lovely land somewhere.

Precious mem'ries how they linger
How they ever flood my soul
In the stillness of the midnight
Precious sacred seems unfold...
