Put it off until tomorrow

Oh, oh, you've hurt me enough today

You say, our love is over, that you have found another

And you say, you're going away, leave me tomorrow

Oh, oh, you've hurt me enough today

I've hurt me enough today, you can't believe a word
that I say

But you must accept the fact, I won't be coming back

Oh, but stay, stay just one more day, loneliness isn't far
away

Put it off until tomorrow

Oh, oh, you've hurt me enough today

Put it off until tomorrow

Oh, oh, you've hurt me enough today
