(Sheldon Harnick - Jerry Bock)

Twilight descends everyday ends
Till tomorrow, tomorrow
Since we must part here is my heart
Till tomorrow, tomorrow.

Clouds drifting by echo a sigh
Parting is such sweet sorrow
I'm drifting too dreaming of you
Till tomorrow comes.

--- Instrumental ---

Till tomorrow, tomorrow.

--- Instrumental ---

Till tomorrow, tomorrow.

Clouds drifting by echo a sigh
Parting is such sweet sorrow
I'm drifting too dreaming of you
Till tomorrow comes.

Till tomorrow comes...
