(Russ Morgan - Larry Stock - James Cavanaugh)

You're nobody till somebody loves you  
Now you're nobody till somebody cares  
Now you may be king of all you might possess is world  
and all its gold  
But that gold won't buy you happiness when you're  
growing old.

'Cause this old world is still the same you're not gonna  
change it  
As long as the stars shine above  
Oh you're nobody till somebody loves you  
So find yourself somebody to love.

--- Instrumental ---

Oh, you're nobody till somebody cares.

--- Instrumental ---

But that gold won't buy you happiness when you're  
growing old  
This old world it's still the same you're not gonna  
change it  
Just as long as the stars shine above  
Well, you're nobody till somebody loves you  
So find yourself somebody, you better find yourself  
somebody  
Find yourself somebody to love...
