Henrietta
Baby, what you do to me
Henrietta
It's only you I wanna see

Got me so shook up
Never, ever wanna be free

Henrietta
Do your love so fine
Henrietta
The way you love me mine

You're always on the move
Handing out such a line

The day you left, went away
I thought that you, thought you'd stay
Every moment, I tried and tried
To cover up for all those lies

Henrietta
Baby, won't you treat me right
Henrietta
Kiss and love with all your might

Well, love me, baby
Love me all through the night

The day you left and went away
I thought that you, thought you'd stay
But every moment, I tried and tried
To cover up for all your lies

Henrietta
Baby, won't you treat me right
Henrietta
Kiss and love with all your might

Well, love me, baby
Love me all through the night
