Don't sign the papers, baby
I want you back
Don't sign the papers, baby
I want you back

Don't give me my walking papers
Please don't let me go
I'm guilty, baby
But I didn't mean to hurt you so

The laws of love, I had broken
Cruel words I'd spoken
I'll be good to you this time
Don't sign on the dotted line

Don't sign the papers, baby
I want you back
Don't sign the papers, baby
I want you back

The way I treated you, baby
Was a lowdown disgrace
But, baby, please tell the judge
To just dismiss the case

Baby, please, please don't forget me
Please say you're gonna stick with me
I'm begging on my hand and knees
Drop the charges, baby, please

Don't sign the papers, baby
I want you back, no, no, baby
Don't sign the papers, baby
I want you back, no, no, baby

Don't sign the papers, baby
Have a little sympathy
Just give me one more chance
And I'll give you what you need

Believe me, baby, I love you
Place nobody above you

Tell the jury, hear my plea
Make this girl? to me

Don't sign the papers, baby
I want you back
Don't sign the papers, baby
I want you back. oh, baby

Don't sign the papers, baby
I want you back, oh, baby
Don't sign the papers, baby
I want you back, please

Don't sign the papers, baby
I want you back...
