Star eyes

That to me is what your eyes are
Soft as stars in April skies are
Tell me someday you'll fulfill
Their promise of a thrill

Star eyes

Flashing eyes in which my hopes rise
Let me show you where my heart lies
Let me prove that it adores
That loveliness of yours

All my life I've felt
Content to stargaze at the skies
Now I only want to melt
The stardust in your eyes

Star eyes

When if ever will my lips know
If it's me for whom those eyes glow?
Makes no difference where you are
Your eyes still hold my wishing star

Oh, star eyes, how lovely you are
