Deep Purple  
Jimmy Dorsey

When the deep purple falls over sleepy garden walls.  
And the stars begin to flicker in the sky. Through the  
mist of a memory, you wander back to me. Breathing  
my  
name with a sigh.

In the still of the night, once again I hold you tight.  
Though you're gone your love lives on when moonlight  
beams.  
And as long as my heart will beat, lover we'll always  
meet.  
Here in my deep purple dreams.

Repeat 2nd verse.
