Just give me a June night
The moonlight and you

In my arms
With all your charms
Neath stars above
And we'll make love

I'll hold you, enfold you
And dreams will come true
So give me a June night
The moonlight and you

June night, June night
June night, doo wah

Doo wah, doo wah
Doo wah, doo wah
Doo wah, dooh wah
We'll make love

I'll hold you, enfold you
And dreams will come true
So give me a June night
The moonlight and you

June night
Yes, June night and you
