THE LOVE BUG WILL BITE YOU
Jimmy Dorsey

The love bug will bite you
If you don't watch out.
If he ever bites you
Then you'll sing and shout;
You'll go (da-dee-da-dee-da-dee da
And whoa dee doe dee doe)
That's what love is all about
The love bug will bite you
If you don't watch out.
If he ever bites you
Then you'll sing and shout;
You'll go (da-dee-da-dee-da-dee da
And whoa dee doe dee doe)
That's what love is all about

You can't eat, you can't sleep, you'll go crazy,
You'll just la dee da dee la all day.
If someone wants to know
Why you're crazy
You'll answer (da da da doo with a ho ho hay-hay)
The love bug will bite you if you don't watch out
If he ever bites you
Then you'll sing and shout:
You'll go You'll go (da-dee-da-dee-da-dee da
And whoa dee doe dee doe)
That's what love is all about
