TIME WAS

Jimmy Dorsey

Time was when we had fun  
On the school yard swings  
When we exchanged graduation rings  
One lovely yesterday.  
Time was when we wrote  
Love letters in the sand  
Or lingered over our "coffee and";  
Dreaming the time away.  
Picnics and hay rides and mid-winter  
Sleigh rides and never apart.  
Hikes in the country and  
There's more than one tree  
On which I've a place in your heart,  
Darling, every tomorrow will be complete  
If all our moments are half as sweet  
As all our time was then
