Well I'm sitting on the bus,
rolling down through Georgia
Don't know where I'm going,
and I don't care what's new
I've got nothing to lose

Well I've had no sleep,
going on three days
Smoked my last cigarette,
somewhere near Atlanta,
it's true, I've got nothing to lose

chorus:
Nothing to lose since I've lost you,
feeling all alone
Used to have it all,
and now my heart is gone,
it's true, I've got nothing to lose

Well we're coming up on Macon,
gonna rest here a spell
Making idle conversation,
with a stranger without you
I've got nothing to lose

repeat chorus

Nothing to lose Since I lost you

You left me with no worry,
you left with no cares
And you took my whole,
life with you
and you left me standing there,
it's true, I've got nothing to lose

Yes it's true
I've got nothing to lose
