Don't bother going through your motions.
Nothing that makes sense ever works out.
Nothing can be good on it's own merit.
Don't kid yourself, you know they want money.
Don't kid yourself, you know they want money.
Put your trust in simple acts.
Please keep in sight what makes you care.
Spinning and spinning.
You have it always.
Do you believe in what you want?
Make the flyers get them up all over town.
Dancing in plastic, shake-up snow.
On us, meaningless.
Your camera flash.
You cannot waste a single night.
What you ignore is priceless to me
