"Carbon Scoring"

Visit "[Carbon Scoring](#)" on MotoLyrics.com

Here we go.
(My only cold I fought.)
Here I am, frozen in time I find a way from you, pave
the way.
And cause I can't stand still they'll leave you down and
out.
And when your face gets here I'll stab you in the back.
Tell me now, I need to know how long.
Clear the way.
Don't make me wait all day.
With you, from you, pave my way.
And cause I can't stand still, they'll leave you down and
out.
And when your face gets here I'll stab you in the back.
It's a long way home.
Can't you find your way?
I'm a trampoline.
Lift me up over fahrenheit.
I'm a trampoline.
I...
