Smile, though your heart is achin'  
Smile even though it's breakin'  
When there are, are clouds in the sky  
You'll get by

If you smile through your fear and sorrow  
Smile and maybe tomorrow  
You'll see the sun come shinin' through  
For you

Light up your face with gladness  
Hide, every trace of sadness  
Although a tear  
May be ever so near

That's the time, you must keep on tryin'  
Smile, what's the use of cryin'  
You'll find that life is still worth while  
If you just smile

Light up your face with gladness  
Hide every trace of sadness  
Although a tear  
May be ever so near

If you smile through your fear and sorrow  
Smile and maybe tomorrow  
You'll see the sun come shinin' through  
For you

Light up your face with gladness  
Hide every trace of sadness  
Although a tear  
May be ever so near

That's the time, you must keep on tryin'  
Smile, what's the use of cryin'  
You'll find that life is still worth while  
If you just smile

If you just smile
