She wears denim wherever she goes,
Says she's gonna buy some records by status quo
Oh yeah
Oh yeah

Still she won't be forced against her will
Says she don't do drugs but she does the pill
Oh yeah
Oh yeah.

I didn't want to hurt you oh yeah
I didn't want to hurt you oh yeah

Says she likes my hair cause it's down my back
Says she likes the group cause we pull in the slack
Oh yeah
Oh yeah

When she's at the gig she takes her car
And she drive us home if there isn't a bar
Oh yeah
Oh yeah

I didn't want to hurt you oh yeah
I didn't want to hurt you oh yeah
I didn't want to hurt you oh yeah
I didn't want to hurt you oh yeah
