Here we go.  
(My only cold I fought.)  
Here I am, frozen in time I find a way from you, pave  
the way.  
And cause I can't stand still they'll leave you down and  
out.  
And when your face gets here I'll stab you in the back.  
Tell me now, I need to know how long.  
Clear the way.  
Don't make me wait all day.

With you, from you, pave my way.  
And cause I can't stand still, they'll leave you down and  
out.  
And when your face gets here I'll stab you in the back.  
It's a long way home.  
Can't you find your way?  
I'm a trampoline.  
Lift me up over fahrenheit.  
I'm a trampoline.  
I...
