A monster lives in your backyard  
The 2 by 4s are making their way around  
The big get bigger when the fight's done  
I found that secret door

A man with a shovel's gonna dig deep down  
To find out where it feeds a house

A catalog full of nothing good  
The white house ponders, no remorse  
The big get bigger when the fight's done  
I found that secret door

A man with a shovel's gonna dig deep down  
To find out where it feeds a house

It seems like a drag to be torn apart  
By unexpected hands  
It's in your name, it's in your face  
I'm wrong again, I'm wrong again  
I'm wrong again, I'm wrong again  
I'm wrong again, I'm wrong again
