"Get It Faster"

I don't care what you do
I'm getting out
No, nothing ever shames me
Don't wanna thing from you
I'm going out
I don't care if you're angry

I'm getting out
No, nothing ever shames me
I'm going out
I don't care if you're angry

I should've thought things through
I'm holding out
Not getting an answer
I wanna do right by you
I'm finding out
Cheating gets it faster

I'm holding out
Not getting an answer
I'm finding out
That cheating gets it faster

I'm holding out
Not getting an answer
I'm finding out
Cheating gets it faster

I don't care what you do
I'm getting out
No nothing ever shames me
Don't wanna thing from you
I'm going out
I don't care if you're angry

I should've thought things through
Yeah, I'm holding out
But not getting an answer
I wanna do right by you
I'm finding out
That cheating gets it faster

I'm getting out
No, nothing ever shames me
I'm going out
I don't care if you're angry

I'm holding out
Not getting an answer
I'm finding out
Cheating gets it faster
